

# API Power Company Limited

(4<sup>th</sup> Floor, Trade Tower Thapathali, Kathmandu Nepal)

## Request for Expression of Interest (EOI)

for construction of Grid-Connected Solar Photovoltaic (PV) Power Projects

(First published date :12<sup>th</sup> Jun, 2017 (BS 2074/02/29))

Api Power Company Limited wish to construct and operate 8 grid-connected solar photovoltaic power projects with a total capacity of 18 MW at various locations of Nepal as listed below.

S. No.	Developer	NEA's Substation	Project Capacity (MW)	Voltage Level (kV)
1	API Power Company Limited	Bardaghat	1.0	11
2	API Power Company Limited	Chanauta	1.5	33
3	API Power Company Limited	Kawasoti	1.0	33
4	API Power Company Limited	Kawasoti	0.5	11
5	API Power Company Limited	Dhalkebar	1.0	11
6	API Power Company Limited	Parwanipur	8.0	11
7	API Power Company Limited	Simara	1.0	11
8	API Power Company Limited	Chandranigahpur	4.0	33
<b>Total</b>			<b>18.0</b>	

The various activities involved in the construction of these projects shall include, but not limited to, detailed engineering & design, finalization of key equipment & BOM, site preparation, vendor finalization, logistics management of all materials, testing of material before dispatch & receipt, all civil works at site, DC side electrical works, all AC side civil & electrical works including substation construction at site, laying of transmission line, bay construction and connection at NEA substation, commissioning, handover etc.

Api Power Company Limited intend to award turnkey EPC contract for all projects to a reputed company/consortium that has good prior experience of carrying out such work. The company request for EOI from all interested contractor companies/vendors/suppliers to submit their Letter of Intent (LOI) understanding the work requirements with commitment and strength for the related works on the following packages in 15 days of first publication of this notice.

Interested bidders should submit following eligibility documents along with EOI documents duly certified by them as "true copy" and need to produce the original copy during EOI evaluation process:

- Letter showing interest for carrying out turnkey EPC work of all the projects
- Company profile and MOU for JV, if any
- Company Statutory Documents (Company Registration, VAT Registration, Service tax registration, other certificates etc.)
- Previous work experience with Work Completion Certificates

The company hold all rights reserved to accept or decline any or all EOI received with or without assigning any reason whatsoever.
